engaged in production of man-made fibre fabrics are in the decentralised sector and therefore, cannot on their own carry out any R&D activities. SASMIRA gives technical service to such units to improve, productivity and quality of production. SASMIRA is conducting a Powerloom Weavers Service Centre at Bhiwandi where in addition to testing and technical services special training/refresher courses are conducted for the Powerloom Weavers to improve their skill. Similarly such service is also rendered at Bombay where more elaborate and detailed courses are conducted for training. Benefit of R & D is passed on to the industry by providing testing service for yarn, fibre and fabric as well/technical service to the industry. SASMIRA is rlso engaged in R & D work sponsored by the Government or its members/industry.
